Funeral Partners

We have a long, distinguished and successful history in the provision of funerals and memorial services. This experience ensures that we are able to provide monument stones to cemeteries, crematoria and churchyards in a wide variety of styles at competitive prices.

We also offer a full range of ancillary services for the maintenance and restoration of memorials. This may include additional lettering or the cleaning of an existing feature.

All our work is carried out by skilled craftsmen who guarantee excellent results.

GHD 01
